

# The Label Printers Artwork Guidelines

## Preferred Software

- Adobe Illustrator (CS3 or older)
- Adobe Photoshop (CS3 or older)
- Adobe InDesign (CS3 or older)
- QuarkXpress (v7.3 or older)

## Preferred Formats

- EPS
- PDF
- TIFF

Note: We support a lot of different software and formats. If you are unable to supply us with our preference, we may still find that your files are usable through our preflight procedure.

## Tips for best quality:

- Provide all of the supporting files (ex: Fonts, Images, and Logos)
- If fonts cannot be provided, turn all text to outlines
- All images should be 300 dpi or higher
- Supply artwork to exact dimensions ordered
- Supply proper 1/16" bleeds when applicable

## How to send your art work:

- email: [artdept@thelabelprinters.com](mailto:artdept@thelabelprinters.com)  
Please provide the company name, part number, and or P.O. number with the files.
- HTTP File Transfer Portal: login at:  
**backup.cbeyond.net**  
user: **artwork**  
pass: **red**  
Domain: **74050.com**
- Or direct us to a remote site for us to retrieve your files
